## Mobile Grooming: A Day in the Spa

This 3 DVD volume is a live day on the road with Jodi. This has never been seen before on DVD. Come ride with one of the most sought after groomers in the country and see for yourself exactly what it takes to make it in the mobile grooming industry. You will see first hand everything from getting the dogs done to making it to the next stop on schedule. You will not only see the ins and outs of mobile grooming but you will also be able to catch Jodi's grooming skills in action. You will see many time-saving tips and grooming styles that will get you in and out with style, mile after mile.
